video reference

What is in the video?

This short cartoon video starts with an **empty bedroom**. The narrator shows six things: a bed, a closet, a desk, a chair, a reading lamp and a bookshelf. For each thing, we learn what we use it for. Then the six things go into the room, one by one. At the end, there is a quick review of all six words.

◆ **Closet or wardrobe?** The video uses **closet** (American English). In British English, we say **wardrobe**. They mean the same thing.

◆ **Note:** The video is for school children, so it says “school work”. In this lesson, we talk about adult homes.
